

Shown in Satin Nickel with Camelot trim

Schlage **Connect**[™]

The Schlage Connect[™] Touchscreen Deadbolt combines advanced features and compatibility with home automation systems — allowing homeowners to control their lock from anywhere and freeing them from the hassles of lost keys, being locked out, or hiding a spare for friends and family.*

More home automation options are available at [Schlage.com/ConnectPartners](https://www.schlage.com/ConnectPartners).

FEATURES

- Powered by Z-Wave[®]
- 3-year limited electronics warranty and limited lifetime mechanical warranty**
- Battery-operated with low battery warning
- Slim exterior prevents interference with storm doors or other door preps
- Durable resistive touchscreen ensures wear pattern remains undetectable
- Installs in minutes with just a screwdriver – no hardwiring required

* Remote and smartphone access require a compatible smart home or security system. Features dependent on platform provider. **See the product warranty for full details
